Jet transverse momentum distribution in p-Pb collisions at ALICE
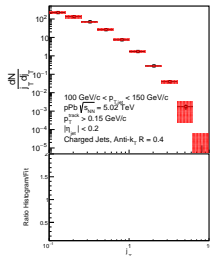

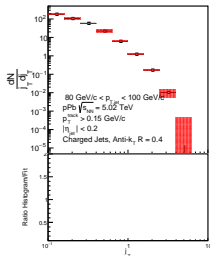

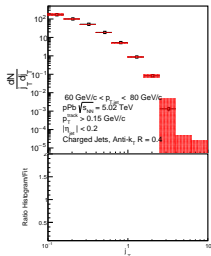

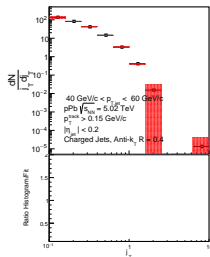

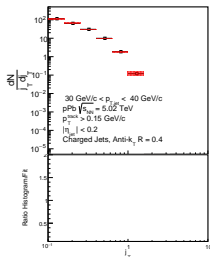

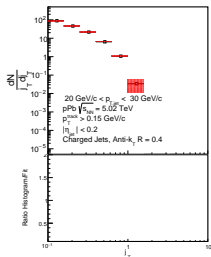

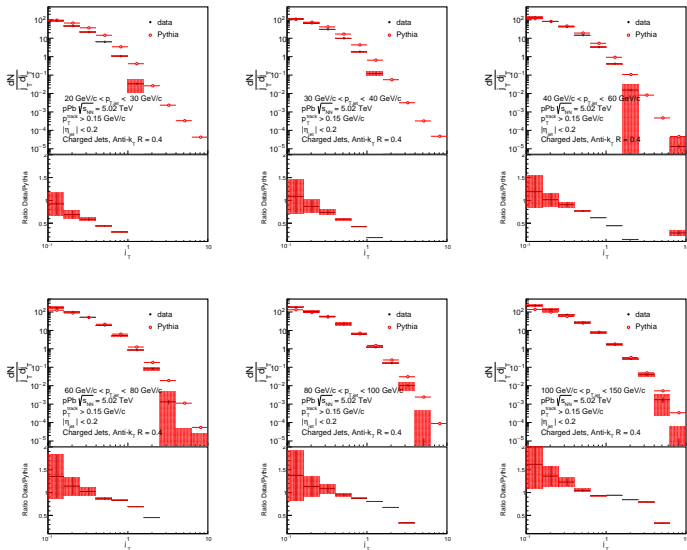

Status

Tomas Snellman

University of Jyvaskyla

June 12, 2017

Systematic Errors - Signal

- All data is Emcal triggered
- Include fits and put ratio to fits?
- Alternatively remove bottom panel

Comparison to pythia

- Errors on ratios are wrong

- Combine jet p_T bins in one figure
- All data is emcal triggered
- No systematic errors on ratios

- Systematic errors on fit parameters
